UNITED STATES STOLEN BY DR. FAUSTUS!

We don't know how it happened . . . but one morning we woke up and The United States of America was gone . . . and Dr. Faustus was the nearest person to it when it disappeared. Luckily, Captain America

was in Shield's Hell-Carrier when it happened. Since YOU are the only other person around, how about giving Cap a helping hand and get the good of USA back in order.

ANSWERS Pg. 32

We know you know everything about Marvel's green guy... but how much do you know about the stars who portray him on television? Bill Bixby (David Bruce Banner) wants to know. Lou Ferrigno (The Incredible Hulk) wants to know. We want to know. Read over the statements above and place an "X" in the box you think is correct. Do it right or our Hulk and Lou Ferrigno might team-up and remove your pencil... forcibly.

BULLPEN BIOPSY

TO TELL THE TRUTH, EVEN WE DON'T KNOW THE REAL STAN LEE. LET'S TRY TO FIND OUT.

Stan Lee No. 1: "Who coined the phrase 'Stan, The Man'?"

No. 1: "I did, based on a lot of letters from fans who referred to me that way."

Stan Lee No. 2: "Who is your favorite character?"

No. 2: "Spider-Man."

Stan Lee No. 3: "How about your favorite character?"

No. 3: "Spider-Man."

Stan Lee No. 2: "How many stories have you written for comics?"

No. 2: "Easily 10,000."

Stan Lee No. 3: "How many people read Marvel comics?"

No. 3: "We sell over six million comics a month but, since comics have a lot of pass-along readers, brothers, sisters, parents, we have millions more readers than we know about."

Stan Lee No. 1: "Give us a 'what's new' for the future."

No. 1: "You'll have to keep watching our magnificent mega to find out, especially MARVEL SPOTLIGHT and MARVEL PREMIERE which always showcase new stuff."

Stan Lee No. 2: "What does the future hold for Marvel SUPER HEROES in television?"

No. 2: "More and better shows with additional characters."

Stan Lee No. 3: "When will you retire?"

No. 3: "Retire? Me? They'll have to drag me out screaming and kicking."

Stan Lee No. 2: "How does it feel to be a great success?"

No. 2: "I don't consider myself a success. My mother wanted me to be president (and if I am elected, free comic books for everyone)."

And there you have it. We're no further ahead than when we started. Who is the real Stan Lee? Only Peter Parker knows for sure.

Owen McCann

LEARN TO DRAW MARVEL CHARACTERS: NOVA

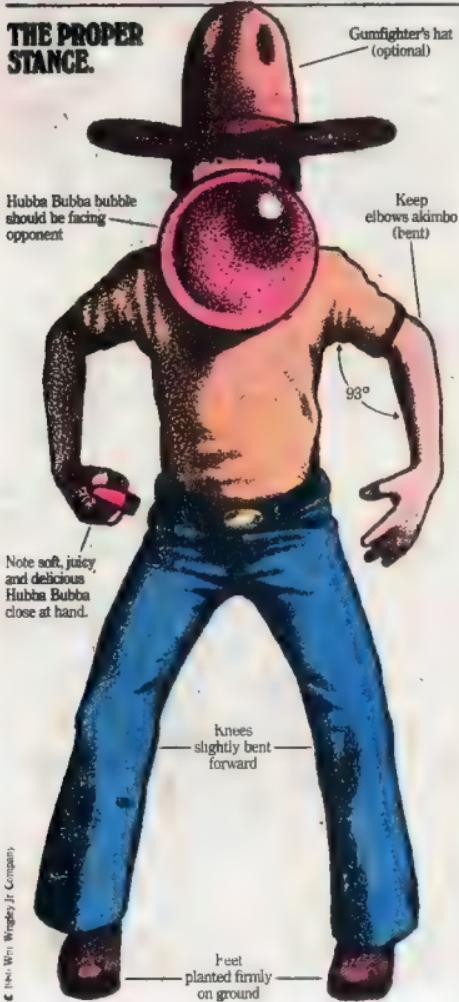

GUMFIGHTING DO'S AND DON'TS.

Hubba Bubba

The first thing to do—pick the right chew: Hubba Bubba.TM The soft and juicy bubble gum with amazing no-stick bubbles.TM Then proceed with this simple yet effective gumfight drill: (1) Begin blowing bubble. Note Hubba Bubba's incredibly large bubble. (2) When the Hubba Bubba bubble breaks do not be alarmed. (3) Simply remove Hubba Bubba from your face. That's right, simply remove and replace in mouth. Return to step 1. Repeat drill ten times.

THE PROPER STANCE.

Geographic availability may vary.

YOUR SIZE IS NOT IMPORTANT

The size of your bubble is. And that means choosing the right bubble gum—Hubba Bubba. Because when it comes to great, big, fat bubbles, nothing sizes up to a Hubba Bubba bubble.

Note proper stance.

ACCEPT NO SUBSTITUTES.

This boy did. And now instead of wearing a smile, he's wearing a paper bag over the bubble gum stuck to his face. Definitely not soft and juicy Hubba Bubba Bubble Gum. Does Hubba Bubba really work? Absolutely! Hubba Bubba is gumfighter tested and approved.

DADGUM MY BUBBLEGUM!

So pick up a pack of Hubba Bubba in original or mint flavor. Enjoy that soft, juicy, delicious taste. Plus those great, big Hubba Bubba bubbles that won't stick to your face.

SOFT. JUICY. DELICIOUS.

BIG BUBBLES. NO TROUBLES.

Beware of Aliens.

AMT is the only company that can make authentic Star Trek model kits. Our entire Star Fleet is an exact replica of the ships seen for the first time in "Star Trek, The Motion Picture."™

Taking off with the U.S.S. Enterprise,™ it's over 22" long with incredible 23rd Century detailing. And it features operating saucer control lights, new rainbow effect panels and special dry-transfer decals. Then we're launching the realistic new Vulcan™ Shuttle and Klingon™ Cruiser. All said, our Star Trek models are the best hobby kits this side of Jupiter.
